DESCRIPTION

Can Savasana is a five bedroom villa perfectly positioned on a hill above San Antonio where this lovingly restored farmhouse is positioned for spectacular sea views and unforgettable Ibiza sunsets. The home is set within 50.000 m2 of land so there are many idyllic spots to truly appreciate the beauty of the surroundings natural landscapes. Pathways meander through Mediterranean garden, filled with colour, aromatics, citrus orchards and vegetable gardens. Can Savasana is a wonderful reformation of a 500 year old finca. The resultant house is perfect for those looking for grandiose dimensions, lateral layout and voluminous ceiling heights.

The home retains traditional rural elements with sensitive divisions and modernisation. The house reflects local design using natural materials including natural stone, exposed timber beams, wooden window frames and shutters. Modern materials like the polished concrete floors and new fittings throughout the house bring a sense of sophistication. The kitchen is a space to reflect the traditional country style of the home with a modern sociable layout. An arterial corridor links the sleeping areas upstairs, all of which share a character and flair.

Can Savasana has five double bedrooms, of which three are ensuite with the remaining two sharing a bathroom. The master bedroom enjoys a 100m2 private terrace with the best sunset and sea view location on the property. The master bedroom is the only bedroom with Air Conditioning. The suites on the lower floor offer guests an opportunity to escape the sunset terraces above. Can Savasana is perfectly located for seclusion and convenience.

The nearest beach is the beautiful Cala Salada, only a 5 minute drive, whilst San Antonio and its shops, clubs and famous sunset strip cafes are only 10 minutes.
