The villa is set in 65,000 m2 of olive groves, it is the home of their own brand of Extra Virgin Olive Oil. Several of the beds can be converted into twin arrangements, if required, and there is ample space to add extra beds to accommodate up to 14 guests comfortably.

Four of the bedrooms are located on the ground floor which includes the fully equipped kitchen and several lounge areas, which lead out onto the extensive terrace overlooking the garden and pool. This terrace has a dining table for 12. Alongside the gorgeous and large child friendly pool (19 x 13 m), is a barbecue area with a huge wooden table that can comfortably seat 20 people. This area includes an outdoor kitchen, an outdoor gym, lounge area and a bathroom to complement the existing chill out area and table tennis table.

There is a second games room with a bar, pool table, TV and music system alongside the kitchen in the main house. The house features sat-TV throughout and boosters to ensure that, despite the traditional, thick farmhouse walls, the wifi internet connection remains strong throughout the property.
