## DESCRIPTION

Located in the middle of the Mediterranean sea lies the natural beauty of the island of Ibiza and located at the heart of it sits Can Anna. Can Anna, an old ibizencan finca (traditional farmhouse) was restored with love and care over the last few years, incorporating the latest technologies like inbuilt sound system and underfloor heating, without sacrificing any of it's traditional and rural magic. This charming finca offers an exclusive package for the comfort of its guests: breakfast service and a car (Hybrid Audi Q5) available for guests to use.

Sitting in the midst of aromatic herb gardens and fruit trees and overlooking the spectacular ibizan coast, Can Anna can offer guests a unique countryside vista and direct access to the gentle rural ambience of the north coast of Ibiza.

The grounds include a lovely lawn with spectacular sea views, the signature infinity pool, the herb gardens full of aromatic plants and bushes, an outdoor dining area and barbecue and lots of small shaded relaxation spots with armchairs and hammocks.

Next to the large modern kitchen is a beautiful dining area with large windows opening to the garden and seaview and views to the garden.

The main villa has a total of 5 double bedrooms, 3 of which have an en-suite bathroom and one is a family room consisting of 2 bedrooms and one bathroom.

The first annex features 2 bedrooms and 2 bathrooms and a private terrace with sunset views.

In addition there is an independent 80 m2 house, fully equipped with kitchen and living room, 2 bedrooms and 1 bathroom, terrace and private parking.

Services included in the rates:

- 1 Hybrid Audi Q5, year 2021, fully insured.

- 1 breakfast preparation chef for 5 hours a day (preparation, serving and cleaning). The chef can also cook hot items (eggs).
