## DESCRIPTION

Blurred lines between the indoors and outdoor spaces implore you to surrender totally to a sunshine state of mind in this seriously sleek single storey villa, reminiscent of laid back Californian architecture. Four of the bedrooms are situated in the main house and two of the bedrooms in a separate guesthouse. Great for families sharing or a group of friends. Glass windows throughout invite nature in while the flat verdant lawns providing the greenest of backdrops. Gather your tribe around the many low level seating both inside and outside Villa Villa Bianca. Inside the interiors, designed by the French owner reflect her own bohemian chic style. Concrete floors and ceilings meet warm cool Scandi wood while accents of smudgy black charcoal mix with natural linens, wicker and rattan.

All this chill isn't just for adults, a football pitch will keep the little ones entertained, while the adults can keep fit in the fully equipped gym. And if all of that is too strenuous then dive into the large pool, it's as clear as the ocean. At night time keep your tribe happy with a movie in the cinema room. With so many places to chill, Villa Villa Bianca is Slo-Mo living at it's coolest.

A large open plan living room, kitchen and dining area appear light and airy thanks to the large glass windows that run the length of the room. Black columns give the room an edgy industrial feel that is softened by the creamy beige concrete floor and ceiling. Light gingerbread coloured wood exudes warmth in the room. This is a room for serious gatherings, with so many sumptuous seats to sink into. A large reclaimed wooden table with ancient knarled legs is flanked by modern black wicker dining chairs and suspended lights. Choose to hire one of our private chefs and host an unforgettable soiree. The large modern kitchen is fully equipped and a joy to work from. When the dirty martinis get dirtier, its time to turn on the music and take the party into the night.

Large lush green laws roll out in front of you. The serenity of the countryside is broken only by the splash of the pool or the cheers from your tribe in a friendly game of football on the football pitch. A perfectly formed Wendy house has everything your little ones need to create their own fairy tales in. Adjacent to the long swimming pool and sunbathing deck is a shaded area with low level seating, choose to lounge alone or with your group. A large al fresco dining area complete with outdoor kitchen is perfectly set up for lunches that roll into cocktail hour and beyond as you watch the sky change colour and descend into night time.
