### DESCRIPTION

This unique Ibizan style villa in San Lorenzo, one of the best preserved rural areas of our island. Complete renovation works were finished in June 2017. Its owners, a local couple, have put all their effort into providing a perfect example of Ibizan style and form. They have created a charming mix of modern boho deco and traditional architecture in a typically and tranquil rural setting.

The villa has 3 spacious bedrooms on two floors, which are in the main building. All rooms enjoy views of the red and green farmland surrounding the property. The indoor and outdoor kitchen with the associated dining areas are available for the gathering of your guests and vacationers in this wonderful house that is available all year round. A swimming pool area overlooking the unspoilt countryside, fully equipped with sun loungers, parasols and a complete bathroom complete the leisure facilities of this property. A perfect choice for large groups and families ready to enjoy the real Ibiza.
