DESCRIPTION

Can Maya is a modern 5 bedroom finca farmhouse set on private land high on a hillside location close to the charming village of San José, and a short drive from the capital, Ibiza Town. Authentic and rustic charm abounds in peaceful, serene surroundings with spectacular sea views. The interior of Can Maya is a cool collection of wooden beams, natural stone and terracotta, a true taste of authentic Ibicencan charm. The white-painted walls and natural materials maximise the abundance of natural light to create a bright and welcoming home with plenty of hidden lounge and chillout areas where you can relax and reflect.

A well appointed kitchen is equipped with all the modern appliances you could require. The light, airy feel extends into each of the bedrooms, which all carry the theme of rustic, bohemian chic. Each has its own en-suite with a large walk-in shower or freestanding bath. The three guest rooms also offer private access directly to the courtyard or drive. The lush gardens provide a myriad of spaces to relax with a central pool, shaded patios, open decks, secret chillout spots, a tennis court and an outdoor al fresco dining area with its own gas barbecue, offering you the perfect place to enjoy breakfast lunch or dinner whilst soaking up the unrivalled seaviews.

This property's expansive grounds are perfect for families as there is an abundance of space for children to explore. Can Maya is quite simply a traditional taste of Ibiza, seamlessly blended with modern day design style and comfort.
