DESCRIPTION

Villa Jennifer is a 6 bedroom simply spectacular minimalist property on the north of the island, designed in an ultra-modern Mediterranean style, it offers impressive views over the sea and the most spectacular sunsets. Situated in a natural paradise on the North Coast of the island on a beautiful cliff setting, only a few minutes' drive away from the village and resort of San Miguel. The beautiful beaches of Aguas Blancas or Cala San Vicente with their rustic restaurants are within a short drive, and the glittering lights of Ibiza Town are easily reached by car.

This modern mansion boasts an enormous open living room with wonderfully high ceilings, a fireplace and spectacular sea views, the ideal space for those looking to escape and relax. The spacious living and dining areas are served by a fully equipped kitchen for those who wish to entertain or hire private chefs to cater for your every need. Each room has been carefully designed and is alive with contemporary chic, designer furniture and effortlessly elegant decoration. This truly is a luxurious home where space and privacy is easily found. A private gymnasium is available for those looking to maintain their fitness levels whilst holidaying in Ibiza.

The seven super sophisticated bedrooms all offer equally enchanting sea views and are complete with ensuite bathrooms. Each room has been carefully designed with your every comfort in mind and has its own individual charm.
