## DESCRIPTION

We find this sophisticated modern villa with stunning views in the prestigious Vista Alegre urbanization, on Es Cubells bay. Located on a secured plot inside the urbanization, sharing and additional gated access and driveway with its neighbour, it offers 5 spacious double bedrooms and 6 bathrooms on a modern open plan distribution around its spectacular living room. The whole house is been recently refurbished and updated to adapt it to current design and decoration trends. It mixes its minimalistic architectural features with Mediterranean materials, furniture and textures with the main purpose of maximizing comfort and still take profit of the amazing panorama that shines up front.

In the exteriors owners added recently new sofas, sunbeds, a new dining table by the barbecue area and a large brand new pergola by the pool in order to help guests enjoy the amazing panorama and life outdoors.
